File 92-76-34, Resolution No.

before that Committee in support and/or opposition to the subject measure.

Motion lost by the following vote:

Statement

Supervisor Kopp then read the following statement:

Upon hearing, at a special meeting, your Rules Committee recommended that the proposed appointment of Mr. Rudolf Nothenberg to the position of Chief Administrative Officer not be confirmed and approved. Supervisor Robert E. Gonzales dissented from that recommendation on the grounds that the nomination should be transmitted to the Board without recommendation.

Because of both its contemporary and historical importance to the people of San Francisco, this statement of reasons is submitted for inclusion in the Journal of Proceedings.

Section 3 200 of the Charter provides that the Mayor shall appoint a qualified person as Chief Administrative Officer, subject to confirmation and approval by the Board of Supervisors and that the qualifications of such appointee must be administrative and executive ability and experience for the position.

Section 3.510 gives the Chief Administrative Officer direction over the functions, activities and affairs of the Department of Public Works, the Department of Public Health, the Department of Finance and Records, the Purchasing Department, the Real Estate Department, the Coroner's Office, the County Agricultural Department, and the Department of Weights and Measures, together with the concomitant power of appointment of such department heads, who serve at the pleasure of the Chief Administrative Officer.

The report of Francis V. Keesling, Vice President of the Board of Freeholders and Chairman of the Drafting Committee of the San Francisco Charter of 1931 demonstrates at page 40 et seq. that the purpose of creating the position of Chief Administrative Officer was to establish an independent manager and administrator whose functions were common to business and government, as distinguished from departments whose functions are peculiar to

municipal government. The fullest executive authority in his department was vested in the Chief Administrative Officer. Mr. Keesling states:

“The purpose of the foregoing is to protect against political influence. It is intended that this officer shall be entirely independent in discharging the functions of the office, and particularly to be free from interference of the Mayor because the latter is subject to political influence.” (p. 44) (Emphasis added)

In 1961 the Charter was amended to require confirmation and approval by the Board of Supervisors. The ballot argument in support of such proposition states unequivocally that the amendment: “. . . does divide the *responsibility* for his [Chief Administrative Officer] appointment between the Mayor *and the Board of Supervisors, all chosen by the voters.*” The amendment was adopted by a vote of 154,000 in favor and 42,884 opposed.

Supervisor Ronald Pelosi’s letter of September 2, 1976, which is in the file on this matter is consistent with the mandate of that Charter provision when he states that “the CAO should be confirmed by a unanimous vote of the Board.”

The Committee found Mr. Nothenberg’s reputation for honesty, integrity and conscientiousness were of the highest order and the Committee further found that he has had a long and exemplary service in governmental fiscal matters, principally in the State Legislature. However, the Charter mandated duties of the Chief Administrative Officer require more than the public accounting experience and ability manifested by the nominee. The majority of the Rules Committee found that the thrust of virtually all of the testimony in support of the nomination was with respect to Mr. Nothenberg’s personal qualities and his professional ability in governmental accounting and in teaching. The majority found that there was a paucity of administrative and executive experience on the part of the nominee and, indeed, the record is clear in that respect. Such administrative and executive ability and experience constitute the *sine qua non* of the position.

For the foregoing reasons, the Rules Committee recommends against confirmation and approval.

Thereupon, several Supervisors questioned Mr. Rudy Nothenberg as to his background and experience.

Supervisor Molinari assumed the Chair at 4:02 p.m.

The roll was called and the Resolution was refused passage by the following vote:

Ayes: Supervisors Gonzales, Mendelsohn, Tamaras, von Beroldingen—4.

Noes: Supervisors Barbagelata, Feinstein, Francois, Kopp, Molinari, Nelder—6.

Absent: Supervisor Pelosi—1.

Supervisor Kopp resumed the Chair at 4:45 p.m.

Request Granted

Supervisor Kopp requested that a letter be directed to Mayor George R. Moscone reminding him of the September 30 deadline for the appointment of a new Chief Administrative Officer and suggesting he make a nomination and advising him there will be a Rules Committee meeting on that subject.

No objection, Clerk directed to comply.

News Media Coverage

President Kopp announced that television broadcasting would be limited to the cameras then located in the Chambers being utilized by television station KQED under a pooling arrangement with other television stations interested, and that radio broadcasting would be limited to KCBS and KPOO under an agreement with the Northern California Television News Directors Association.

Affidavit of Prejudice

Mr. Marvin Lewis read into the record an Affidavit of Prejudice as follows:

“In the Matter of the Impeachment Trial of Airports Commissioner Joseph Mazzola, before the Honorable Board of Supervisors of the City and County of San Francisco.

“Marvin E. Lewis declares under penalty of perjury that he is attorney for Joseph Mazzola.

“That Joseph Mazzola is about to be tried by members of the Board of Supervisors to determine whether he is guilty of conflict of interest and should be removed as said Airports Commissioner.

“That a member of said Board of Supervisors who will act as one of the judges on this important question is Supervisor Dianne Feinstein.

“That Joseph Mazzola as plaintiff has brought a lawsuit against Supervisor Dianne Feinstein in the Superior Court of the City and County of San Francisco, in and for the State of California, No. 710-709, for damages for alleged slander.

“That in said complaint Joseph Mazzola has alleged that Dianne Feinstein before others accused him and members of his Plumbers Union of bombing and burning two trucks during a strike, which is involved in this very petition.

“That by very reason of the fact that plaintiff Joseph Mazzola and defendant Dianne Feinstein are litigants in a civil action would, in the opinion of your declarant and his client Joseph Mazzola prejudice the mind of Supervisor Dianne Feinstein against him and prevent him from having a fair hearing.

“That should said Joseph Mazzola be removed from office because of conflict of interest and official misconduct, it would be beneficial to Supervisor Dianne Feinstein in said lawsuit inasmuch as it could be used in evidence to reduce damages because of loss of reputation by reason of said alleged slander.

“Wherefore, declarant Marvin E. Lewis objects to Supervisor Dianne Feinstein acting in this hearing as a member of the Board of Supervisors and asks that either she disqualify herself or that this Honorable Board of Supervisors disqualify her from sitting as a member of the Board.”

Motion Denied

After hearing from Mr. Agnost and Mr. Lewis on the Affidavit of Prejudice, President Kopp requested that Mr. Purcell advise and make a recommendation with respect thereto. Mr. Purcell quoted from two cases, *Aluisi v. County of Fresno*, 178 Ca. App. 2d, 443, and *Gonsalves v. City of Dairy Valley*, 265 Cal. App. 2d, 400, and recommended that the motion be denied. President Kopp ruled motion denied.

Constitutional Objection

Mr. Lewis read into the record the following:

IN THE MATTER OF THE)
 IMPEACHMENT TRIAL OF)
 AIRPORTS COMMISSIONER)
 JOSEPH MAZZOLA)

CONSTITUTIONAL
 OBJECTIONS
 TO THE
 HEARING

We first object to the hearing upon the constitutional ground that we have been deprived of due process of law; that this hearing has had no administrative code permitting discovery and in fact no power to enforce subpoenas, as evidenced by the fact that the Mayor was subpoenaed by the petitioner to appear before this body at 7:30 p.m. this evening and the City Attorney has advised MARVIN E. LEWIS, attorney for JOSEPH MAZZOLA, that the Mayor will not appear until Thursday evening, September 16. Furthermore, because there has been no administrative rules, a demurrer was only permitted to be filed by the Board of Supervisors as of September 14, 1976, and there is no provision as to who passes on the demurrer nor any right to have any judicial review.

That the Board of Supervisors is being asked, contrary to law, to decide judicial questions and this Board of Supervisors never had the power to act on pure judicial questions. Some of its members are not even attorneys.

It would appear that there are no issues of fact in reality to be presented before this Board.

It is admitted by petitioner that there was a lengthy strike involving members of his union which affected the entire City and County of San Francisco and also the Airport, which was property of said City and County. It must also be conceded that JOSEPH MAZZOLA had no jurisdiction to commence the strike or terminate the strike and he would have violated his duty under his Constitution to have ordered his men to be strike breakers, and that further he did not even have the jurisdiction to do this.

The City Attorney has written an opinion that JOSEPH MAZZOLA has not violated any provisions of the Charter constituting conflict of interest.

The legal questions to be determined are: Is there due process when a petitioner is not notified with precision as to the charges against him?

At this time JOSEPH MAZZOLA does not know nor can it be ascertained whether he is being charged with a present conflict of interest or a conflict of interest that is now passed and over and no longer exists.

It cannot be determined whether the "official misconduct" consists solely of conflict of interest or some other alleged activity on his part. If conflict of interest is not the issue and if it is contended that the official misconduct consisted of JOSEPH MAZZOLA by his own actions perpetrating an illegal strike, the question then becomes a judicial one whether the strike was illegal.

In view of the fact that the City Attorney has written an opinion that JOSEPH MAZZOLA never violated either the Charter's definition of conflict of interest or any other written law or statute concerning conflict of interest but did violate a so-called common law conflict of interest, you then must determine two judicial questions concerning this subject:

(a) Was there a violation of a common law conflict of interest, and if so

(b) Was the common law conflict of interest abrogated when the Board of Supervisors and the people chose to set forth in their Charter what type of conflict of interest should be adhered to in the City and County of San Francisco?

The next judicial question to be decided is:

Can an official of a city and county be guilty of a conflict of interest merely because of the fact that he is an official of a union at a time when a portion of its members are public employees of the city and county of which he is an official and said employees have voted to strike?

Another judicial question to be decided by this Board is:

Can an official of a union be guilty of a conflict of interest concerning a strike during his term of office when all of his actions have been in the capacity as a union official and none of said actions have been in his capacity as a member of the Airports Commission of which he is a member?

Another judicial question to be decided by the Board is:

Can a public official under the provisions of the Charter of the City and County of San Francisco be guilty of "official misconduct" if he has not violated a written law? The case law of California holds that he cannot.

It is apparent that in deciding the above issues this Honorable Board of Supervisors would not be deciding any issue of fact nor would they be acting in a quasi-judicial capacity but would be strictly deciding judicial questions which is contrary to law.

A PUBLIC OFFICIAL IS NOT GUILTY OF OFFICIAL MISCONDUCT UNDER CHARTER §8.107 UNLESS HE HAS COMMITTED AN ACT THAT VIOLATES A STATUTE OR AN ORDINANCE.

The City and County of San Francisco admits that JOSEPH MAZZOLA has not violated any written law. Thus, he cannot be found guilty of any official misconduct.

THERE CAN BE NO OFFICIAL MISCONDUCT UNLESS IT IS A VIOLATION OF WRITTEN LAW.

The verified complaint in the instant case contends that the activities of petitioner are not official misconduct within the terms of Charter §8.107. It is admitted he did not violate any written law. In accord, see *Financial Indemnity Company v. Superior Court*, 45 C. 2d 395; *Eaton v. Klimm*, 217 C. 362; *Staley v. Board of Medical Examiners*, 109 C.A. 2d 1.

“Charges of official misconduct are highly suspect and quite properly non-existent if not based upon the violation of a statute giving rise to said official misconduct.” [Vol. 2 *California Crimes* by B. E. Witkin, paragraph 874, page 820].

“Official misconduct”, under Charter §8.107 is the only basis asserted for the suspension of JOSEPH MAZZOLA by Mayor George Moscone and thus, the only basis upon which the Board of Supervisors could suspend him.

A PUBLIC OFFICIAL IS NOT GUILTY OF “OFFICIAL MISCONDUCT” UNDER CHARTER §8.107 UNLESS HE HAS COMMITTED AN ACT THAT VIOLATES A STATUTE OR AN ORDINANCE. See, e.g., for violation of criminal ordinance or statute as official misconduct, *Coffey v. Superior Court*, 157 C. 525 (1905) (Chief of Police charged with failure to prosecute gamblers in violation of P.C. §335); *People v. Harby*, 51 C.A. 2d 759 (1942) (private use of city-owned automobile by City Councilman as violation of P.C. §504). See also for violation of civil ordinances as official misconduct, *People v. Becker*, 112 C.A. 2d 324 (1952) (violation of Education Code 1011); *People v. Elliott*, 115 C.A. 2d 410 (1953).

The Mayor has nowhere alleged that JOSEPH MAZZOLA has violated any ordinance or statute. The Mayor has similarly not offered any declaration or proof that JOSEPH MAZZOLA has violated any statute or ordinance. The Declaration of George Moscone cites no statute or ordinance that has been breached. Thus, JOSEPH MAZZOLA is not guilty of “official misconduct” under the City Charter §8.107.

THE BOARD OF SUPERVISORS HAS NO JURISDICTION TO DETERMINE ANY QUESTION OF LAW.

The entire proposed hearing requires a determination of questions of law only.

It is admitted that JOSEPH MAZZOLA as Airports Commissioner committed no act concerning the strike.

It is further admitted that while JOSEPH MAZZOLA was an

Airports Commissioner he took an active participation in the strike as a leading executive of his union.

In *Wulzen v. Board of Supervisors*, 101 C. 15 (1894), the Court held that the decision of the Board of Supervisors to condemn land for a public street was a judicial act in excess of its jurisdiction. The Court in *Wulzen* stated:

“The order included not only a legislative expression of the will of the Board adopting that a street should be open, but in addition thereto sought to perform the judicial act of taking the land of citizens, rendered necessary under the legislation involved in the order. To the extent which it sought to accomplish this last object, it was judicial. *As to the action of the Board, so far as judicial, being in excess of its jurisdiction, we entertain no doubt.*” (Emphasis added) *Id.* at 25. See also *Nider v. Hanan*, 32 C.A. 2d 11 (1939); *Wheeler v. Gregg*, 90 C.A. 348 (1949).

The case of *Yakov v. Board of Medical Examiners*, 68 C. 2d, 67 at page 74, holds that whether certain conduct involved moral turpitude is a question of law for the courts and not for an administrative body to determine. In this case the Board of Supervisors is being asked to determine a very technical point of law based on stipulated facts as to whether it constitutes official misconduct under the case law of this state.

The Board of Supervisors in order to remove the petitioner must produce “convincing proof to a reasonable certainty.” (*Realty Projects, Inc. v. Smith*, 32 C.A. 3d 204).

Who is going to instruct the Board to this effect and in fact who is going to instruct the Supervisors on any question of law after they have had presented to them the admitted statement of facts?

ANY COMMON LAW CONFLICT OF INTEREST HAS BEEN ABROGATED BY THE CHARTER OF THE CITY AND COUNTY OF SAN FRANCISCO WHICH COVERS THE SUBJECT.

If JOSEPH MAZZOLA was found guilty of conflict of interest, it would constitute a misdemeanor under California statute.

It is a fundamental principal of law that before one can be convicted of a crime the law must be clear and precise. Certainly JOSEPH MAZZOLA, or anyone else, cannot be held to have committed a crime based on some vague, mirky common law right that has never been reduced to written law.

Furthermore, the Charter of the City and County of San Francisco had in mind that a public official should not be guilty of conflict of interest.

The framers of the Charter originally set forth what constitutes

conflict of interest with particularity. Subsequent to that time on several occasions the citizenry of the City and County of San Francisco amended the provisions of the Charter as to what constituted conflict of interest and set this language forth with great care and particularity knowing the importance to the reputation of a public official who might be found guilty of this crime.

Now the City Attorney sets forth in an opinion that there is no violation of the Charter's definition of conflict of interest but claims that there is a violation of a common law conflict of interest based upon a so-called phrase, namely:

“That no man can serve two masters.”

This is just not true. Every Supervisor of the City and County of San Francisco, because he is a part-time supervisor, serves two masters or more. Every member of the Commissions and Boards of the City and County of San Francisco serves two masters or more.

There is nothing wrong with serving two masters as long as in the service of each master, he is not called upon to act for or against the other.

As long as Commissioner Mazzola never acted as an Airports Commissioner concerning this strike, there was nothing wrong with him serving the so-called master union and the so-called master City and County of San Francisco.

It is obvious that the entire subject of conflict of interest was intended to be covered by the Charter and it would be repugnant to hold that one can be guilty of a crime based on common law that is not even referred to in the Charter. (*Gray v. Sutherland*, (1954) 124 C.A. 2d 280 at page 290).

“THE BOARD OF SUPERVISORS, pursuant to the authority granted to it by Section 8.107 of the Charter of the City and County of San Francisco having heretofore received those certain charges dated September 1, 1976 by GEORGE R. MOSCONE, Mayor of the City and County of San Francisco, charging said JOSEPH P. MAZZOLA, an Airports Commissioner of said City and County, with official misconduct, met to hear said charges on September 15th, 16th, 17th, 19th, 20th, 21st and 22nd of 1976, all members of said Board of Supervisors being present, and said JOSEPH P. MAZZOLA being present in person and with his

attorney, to answer said charges; and evidence, both oral and documentary, having been received, and said matter being submitted, the Board of Supervisors finds as follows:

“1. On September 1, 1970, Joseph P. Mazzola was appointed to the position of Airports Commissioner of the City and County of San Francisco. Joseph P. Mazzola has served in said position continuously since that date until the date of his suspension on September 1, 1976. As an Airports Commissioner, it was Joseph P. Mazzola’s duty to act at all times to further the best interest of the airport and of the City and County of San Francisco.

“2. At all times herein mentioned, Joseph P. Mazzola had been employed by Local 38 of the International Union of Plumbers and Pipefitters as Business Manager and Financial Secretary-Treasurer.

“3. From on or about March 31, 1976, until on or about May 8, 1976, Local 38, in concert with other local unions, perpetrated a strike against the City and County of San Francisco.

“4. As a result of this strike, services provided by the City and County of San Francisco were disrupted and impaired; the City and County lost revenues it would otherwise have received and the citizens of the City and County and other patrons of it were deprived of needed public services.

“5. At all times relevant herein Joseph P. Mazzola encouraged, aided, and helped to further the initiation, perpetration, and continuance of said strike against the City and County of San Francisco; that said acts were contrary to its interests and the interests of the people of the City and County of San Francisco.

“That, based upon said findings, said Board concluded that said JOSEPH P. MAZZOLA did commit acts constituting official misconduct and that he should be and is hereby removed from office of Airports Commissioner of the City and County of San Francisco; now, therefore, be it

“RESOLVED, That the charges set forth in the charges preferred by the Mayor of the City and County of San Francisco against JOSEPH P. MAZZOLA, Airports Commissioner of said City and County, on September 1, 1976, are sustained by the evidence adduced before said Board at hearings held by said Board on September 15th, 16th, 17th, 19th, 20th, 21st and 22nd of 1976, and that by reason thereof said JOSEPH P. MAZZOLA is hereby removed from the office of Airports Commissioner of the City and County of San Francisco.”

PROCLAMATION

WHEREAS, On Tuesday, September 7, 1976, I, George R. Moscone, as Mayor of the City and County of San Francisco, issued an emergency proclamation suspending through October 12, 1976, the provisions of Charter Section 6.208, which calls upon the Board of Supervisors to levy a tax on or before the 15th day of September, extending the time to and including October 12, 1976; and

NOW, THEREFORE, by virtue of the powers vested in me under Section 3.100 of the Charter, I hereby declare that a State of Emergency exists in the City and County of San Francisco, to wit: the prospect that a tax rate will not be adopted by the Board of Supervisors by October 12, 1976; and
